WORK EXPERIENCE

Software Engineer | oldprogrammer.io | Nov 2017 - Jan 2021 (part time), Feb 2021 - Jul 2021 (full time) | Ramsey, NJ

- Worked on Angular and Node.js web applications for oldprogrammer.io and its clients, notably PepsiCo.
- Wrote scripts that generate Excel reports and d3.js graphs for usage & speed data from Pepsi drink dispensers.

Web Developer | ShelterLogic | March 2018 - February 2021 | Haskell, NJ

- Worked with an Agile team that upgraded ShelterLogic's website from Magento 1 to Magento 2
- Created custom Magento modules that improved the functionality of the website, including a new warranty system and a shipping calculator
- Created product feeds that automatically adjust the company's product data on 3rd party e-commerce websites as needed, including eBay and Rakuten

Web & Mobile Developer | RustyBrick | August 2014 - March 2018 | Nanuet, NY

- Created web and mobile applications tailored to RustyBrick's clients
- Worked with QA team to maintain and improve ShulCloud (shulcloud.com), a one-stop SaaS written in PHP that helps synagogues with their website and bookkeeping, helping it grow from 300 to over 800 shuls in 2017
- Used PHP, HTML, CSS, JavaScript, jQuery, MySQL, Laravel and Amazon AWS for web development
- Used XCode and Objective-C for mobile development

Instructor | iD Tech Camps | July 2013 - August 2013 & June 2014 - August 2014 | New York, NY

- Taught programming courses for children and teenagers at the NYIT and NYU branches of iD Tech Camps, notably Minecraft Modding and Java Coding (ages 12-18) and Introduction to Scratch and Java (ages 9-11)
- Mentored first-year staff on day-to-day camp operations

EDUCATION

Boston University | Fall 2010 – Spring 2014

Class of 2014 | Boston, MA

Bachelor of Arts in Computer Science, College of Arts and Sciences

VOLUNTEERING

Vice President of Public Relations | Park Toastmasters | August 2018 - Present | Ramsey, NJ

- Promote Toastmasters in our local community and on social media
- Maintain and update our club's website (parktoastmasters.org)
